

## Masters 2022

In my 35 years of business, I have made it my mission to provide honest, quality and trustworthy service. The last year and a half with the Covid-19 pandemic, I have been forced to make some difficult decisions. The hardest hit impact is the lack of eager and qualified employees. I cannot in good conscience commit to a Masters' service we may not be able to deliver or leave insufficient time for you to make other arrangements. Therefore, it is with great sadness that The Housekeepers will not be able to offer services for the 2022 Masters Golf Tournament. .

It is my hope and prayer that The Housekeepers will be back stronger than ever for Masters 2023.

Respectfully yours,

Terri Woodward

Owner
